

SHOW YOUR SUPPORT

JAMIE & DEVIN

Join us in support of one of our own here at Lakers Landing, Devin, whose mother, Jamie, is currently battling Glioblastoma Multiforme, a terminal brain cancer.

Jamie discovered the cancer on July 27, 2025, and underwent surgery on July 31. She has since lost her insurance and is in the process of applying for Medicaid.

Devin, his dad, and two sisters are doing their best to support Jamie and serve as her strength as she fights this devastating disease.

Join us in support of Jamie!

Saturday, May 2 | 4:00 - 10:00 p.m.
