## FUNDRAISER

Hi, I'm Emma!

### Help bring Emma to Hamilton Community Schools!

Hamilton Community Schools is excited to announce a new initiative to bring a 2-year-old golden retriever named Emma to our schools. Emma is a specially trained facility therapy dog from Top Notch Service Dogs, and we need your help to make her a part of the Hamilton community!

A facility therapy dog like Emma offers countless benefits, providing comfort and emotional support to students and staff, helping reduce stress and anxiety, and encouraging a positive school environment.

Hamilton Community Schools aims to raise \$15,000 to purchase Emma. Emma will be available to the elementary and junior/senior high school students and staff. Hamilton's dedicated principal, Kristyn Watkins, will be Emma's handler, ensuring she receives the best care.

Join us in our efforts to bring Emma to Hamilton Community Schools and help us create a more supportive and positive environment for our students and staff!
